

POLICY AND USAGE

COPYRIGHT POLICY:

jumpingbearscrypto.com is the copyright owner for all the text or images produced by its staff and/or where copyright has been assigned to jumpingbearscrypto.com in writing by other contributors (as is our policy for our periodicals). Where materials have been used from other sources, even under the doctrine of “fair use”, every effort is made to correctly attribute (with footnote referencing or image credits) such works. Herein are some usage guidelines, permissions and information about how to obtain rights to use jumpingbearscrypto.com articles.

Also, in accordance with the USA Copyright Act and World Intellectual Property Organization Copyright Treaty and other applicable laws, jumpingbearscrypto.com has adopted a policy of terminating, in appropriate circumstances and at our discretion, account holders who are deemed to be repeat infringers. We also may, at our discretion, limit access to the Services and terminate the accounts of any users who infringe any intellectual property rights of others, whether or not there is any repeat infringement.

Please note that many of the content we use, some from commercial sources, only have a limited or limit-time right of use, so the right to copy them is not ours to pass on. Where articles are to be reprinted in another publication, or a website, permission needs to be sought from us, but is not often refused. Contact us for permission.

We encourage you to share our website articles with your family, friends and others.

ANTI SPAM POLICY

Your use of jumpingbearscrypto.com’s website and services is subject to this policy. If you are found to be in violation of our policies at any time, as determined by jumpingbearscrypto.com in its sole discretion, we may warn you, or suspend or terminate your account. Please note that, in accordance with the jumpingbearscrypto.com Terms of Service, we may change this policy at any time. It is your responsibility to keep up-to-date with and comply with this policy.

jumpingbearscrypto.com has a zero-tolerance spam policy. This means that all email recipients must have opted in to, or otherwise validly consented to, receiving communications from you, the sender. Subscriber accounts may be terminated for sending unsolicited email messages.

Email notification messages sent in connection with a jumpingbearscrypto.com survey must contain an “unsubscribe” link that allows subscribers to remove themselves from your email messages. You acknowledge and agree that you will not hide, disable, or remove or attempt to hide, disable, or remove the opt-out link from the email invitation. You will actively manage and process unsubscribe requests received by you directly within ten days of submission, and update your email lists and address books to reflect the unsubscribe requests.

You are responsible for ensuring that the email messages you send in connection with your surveys do not generate a number of spam complaints or bounce rates in excess of industry standards. If jumpingbearscrypto.com determines that your level of spam complaints or bounce rate is higher than industry standards, jumpingbearscrypto.com, at its sole discretion, has the right to suspend or terminate your use of its website and services. If you receive low response rates, high abuse rates or high bounce rates, we may request additional information regarding your mailing lists to investigate and attempt to resolve the problem, or in some cases we may suspend or remove email privileges on your account.

Email Restrictions

- Emails you use on jumpingbearscrypto.com must have a valid reply-to email address owned or managed by you alone;
- We prohibit the use of harvested mailing lists. jumpingbearscrypto.com will terminate accounts violating this prohibition;
- We prohibit the use of third-party, purchased, or rented mailing lists unless you are able to provide proof that individuals on the list have opted-in to receiving emails of the type you will be sending them;
- You must not send unsolicited mail to newsgroups, message boards, distribution lists, or email addresses;
- You must not utilize a survey to send any commercial electronic mail messages (as defined in the Privacy Act 1988) to any recipient who has opted out, unsubscribed, or otherwise objected to receiving such messages from you or another party on whose behalf you may be commissioned;
- If you intend on sending commercial emails, you should familiarize yourself with the Privacy Act 1988.
- You must not use jumpingbearscrypto.com to send emails with deceptive subject lines or false or misleading header information.

Reporting Spam

If you suspect that jumpingbearscrypto.com has been used by someone to send spam, please contact us immediately at info@jumpingbearscrypto.com and we will investigate the matter.
